Each year we host the **International Student Welcome**, celebrating your arrival. This includes a traditional Māori welcome, an address from the Mayor of Wellington City and fun activities to start your academic year on an exciting note.

Every year we highlight the amazing contribution international students make to the region at the **Wellington International Student Excellence Awards**. This includes awards for current and former international students who are achieving great things - academically, in the arts, sports, or community.

Work Ready in Wellington is a free programme to prepare international tertiary students for working in New Zealand. On completion you will receive a recognised certificate for your CV, which will help sell you as an employee in the Wellington region. You will also get the opportunity to attend special CV, Confidence Building and Volunteering Clinics throughout the year.

Workplace Internships are a great opportunity for international students to get paid work experience during the term breaks in a Wellington workplace - and to practice what you've learned in the Work Ready course.
